

Universiti Malaysia
KELANTAN

In conjunction to 

1ST RESEARCH MANAGEMENT & ADMINISTRATION SYMPOSIUM

Research Management and Administration Symposium aims to bring together Research Managers and Administrators to exchange and share their experiences and best practices. It provides a premier platform for Research Managers and Administrators to present and discuss the most recent trends and challenges encountered and solutions adopted in the fields.

Topics

The Symposium will be divided into 4 sessions covering the following topics

- Pre-award grant management
- Post-award grant management
- MyRA Assessment
- Research impact

Speakers

Join us now to meet and listen to the experts in the fields from

**Universities, Agencies,
and NGOs**

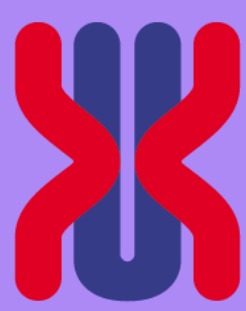

Book your seat now!
